Recommended to award as per the evaluation criteria of the Tender document reiterated below:

"The bids shall be evaluated on most advantageous bid basis. The bidder which attains the highest combined weighted technical and financial score according to the evaluation criteria shall be selected"

	Due to the combined low score in comparison to the bidder who received the maximum score in accordance with the evaluation criteria of the tender document, it is not recommended to award to this bidder.	Due to the combined low score in comparison to the bidder who received the maximum score in accordance with the evaluation criteria of the tender document, it is not recommended to award to this bidder.	Due to the combined low score in comparison to the bidder who received the maximum score in accordance with the evaluation criteria of the tender document, it is not recommended to award to this bidder.	Due to the combined low score in comparison to the bidder who received the maximum score in accordance with the evaluation criteria of the tender document, it is not recommended to award to this bidder.	This bidder received the highest combined score and found most advantageous bidder in comparison with all the bidders. Therefore, recommended to award the contract.
--	--	--	--	--	--

* The following formula is used to calculate the above mentioned financial scores/marks for the bidders:

= [Lowest quoted price of the items/services ÷ Next higher proposed Prices of the competing items] X Total allocable financial score/marks.

Recommendations:

All five bids are carefully evaluated by the technical evaluation committee and reviewed by the procurement committee, therefore it is recommended by the procurement committee to award the contract to M/s Supernet Pvt. Ltd at the price of **Rs. 568,940/-** for a period one year considering the most advantageous bidder.
